Announcement

We extend a cordial welcome to all Shorthorn breeders and any other person interested in the improvement of livestock to attend our sale at Western Fair Grounds, London, on Saturday, October 20th, 1951.

We know we have an excellent offering for our sale. These five herds have been producing some high class cattle in recent years and for this sale the very tops are being offered from each herd.

While the cattle in this sale are not fitted, they are all in splendid breeding condition.

The cattle from this sale have proved profitable and we feel sure our 1951 offering is the best on record.

All the imported bulls being used in these herds will be registered in the American Shorthorn Breeders Association. All cattle in the sale can be registered in the American Association with no extra charge.

A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under 16 months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.
